Dear Anne Marie,

This is in response to your letter dated January 4th, 2005, referencing the 30 Day Post General Report for the Committee To Re-Elect Trent Franks To Congress (C00367110).

Please find ammended report correcting the errors outlined in your letter.

There were four contributions entered in this reporting period that were incorrectly reported. West PAC, IEC Good Government PAC, Joan Ellinwood and Gary Nijdl. These contributions were for the "General" election cycle, however, were recorded in the "Primary". The four individual records were corrected and now reflect the appropriate period (General).

There was also a \$1,000.00 contribution (Carmel Roeck) received after the Primary election that was designated for the "Primary" election. It is my understanding that the funds could be retained if within the sixty (60) days of receipt the amount was properly redesignated for a different election cycle. Due to the fact that this error was not recognized until after the new year (more than the 60 days) the Committee decided to refund this contribution (check #1265 dated 1/12/05 payable to Carmel Roeck for \$1,000.00).

Anne Marie, if you have any questions or need additional clarification on the issues above please do not hesitate to contact me.

Most sincerely,

Lisa Teschler
Treasurer
